

SAMANTHA GRACE
REGENCY HISTORICAL ROMANCE

Readers often ask me about the reading order of my books. I write each story with an HEA for the star couple, so my books can be read in any order. However, most readers tell me they receive the most enjoyment starting from book 1. Familiar characters make appearances in other books, and readers report they enjoy seeing how that couple is doing after their HEA. Another tidbit about my series is they are loosely connected, therefore, some people prefer to start with Beau Monde Bachelors and work their way down the list. The only series not connected to the others is Duke of Danby: Halliday Sisters.
